# TAITHERM TRAINING AGENDA

Further information for TAITherm training is detailed below including an agenda and a list of topics that will be covered.

DAY ONE

8:30 AM - 10:00 AM	Introduction to TAITherm
10:00 AM - 11:30 AM	Tutorials & Presentations
11:30 AM - 12:00 PM	Questions
12:00 PM	Day Ends

DAY TWO

8:30 AM - 11:45 AM	Tutorials & Presentations
11:45 AM - 12:00 PM	Questions
12:00 PM	Day Ends

DAY THREE

8:30 AM - 12:00 PM	Tutorials & Presentations
12:00 PM	Day Ends

DAY FOUR

8:30 AM - 11:30 AM	Tutorials & Presentations
11:30 AM - 12:00 PM	Questions
12:00 PM	Day Ends

* All times listed are EST

TUTORIALS & TOPICS

- Introduction
- Creating & editing geometry
- Mesh requirements
- Non-geometry parts
- 1D fluid stream
- Conduction rules

- Transient simulations
- Post-processing
- Natural weather environment
- Boundary condition import/export
- User scripts
- Automate post-processing

- Command line operations
- Model initialization
- Import/export CFD results
- Exhaust modeling
- Face-to-face thermal links

THERMO ANALYTICS
